

THE GOLD AND SILVER CIRCLES

The Gold and Silver Circles is an elite group of professionals recognized by the NATAS Mid-America Chapter for making a significant contribution to television over a time period of at least 25 years for Silver Circle and 50 years for Gold Circle.

Silver Circle is an honor for a lifetime of service to the television industry. This is not an award for longevity. It is an honor for those very special television professionals. Silver Circle inductees must be nominated.

To be inducted into the Gold Circle, television professionals must have given 50 or more years of service to the television industry. You can learn about previous Gold and Silver Circle inductees on our website: www.emmymid-america.org.

Anyone who has made a significant contribution to television is eligible. The contribution can be in service to the industry, to NATAS, to the community or to people training or a career in the field. Nominees are accepted from performing, creative, technical or administrative roles within the industry or peripheral areas directly related to television such as commercial productions, journalism or education. Neither nominators nor nominees need to be members of NATAS.

NOMINATION PROCESS: COMPLETE A NOMINATION LETTER AND MAIL OR DELIVER IT ALONG WITH ALL SUPPORTING MATERIALS TO THE MID AMERICA NATAS OFFICE BY MONDAY, JUNE 11, 2007. The nomination letter should detail the nominee's contributions to television and community involvement. The nominee will not be contacted, as many nominees may not know they have been nominated.
